

Jasmine Freeman (She/Her) Respite Caregiver | In-Person Services

ABOUT JASMINE

Jasmine Freeman is a Certified Nursing Assistant (CNA) currently employed by Cornerstone Caregiving, where she has provided in-home care for the past three years. She currently supports an elderly gentleman and his wife five days per week, bringing consistency, patience, and strong communication to her work.

LIVED EXPERIENCE & PURPOSE

Jasmine was raised in foster care and later adopted, growing up in a home with nine adopted children. Through that experience, she witnessed a wide range of challenging behaviors and learned the importance of patience, clear communication, and staying consistent. She also saw how positive reinforcement and rewards can motivate growth, along with the value of accountability and structure.

While Jasmine enjoys working with older adults, she is excited to expand her experience by also supporting children and families through respite care.
